2019 Governor’s Conference on the Future of Water in Kansas

Hyatt Regency Wichita, Kansas
November 7-8, 2019
The annual Governor’s Conference on the Future of Water in Kansas will be November 7-8 at the NEW LOCATION Hyatt Regency in Wichita, Kansas. The conference brings together scientists, water managers, state and federal officials and legislators, city and county administrators, environmental organizations, irrigate and citizens who share an interest in Kansas water resources. Registration is limited and has sold out in previous years.

This is the eighth year for the conference and we are looking forward to a great conference and speakers! There will be early registration on Wednesday evening as well as a mingle time as attendees arrive on November 6. Conference speakers will include Jill Wheeler, head of Sustainable Productivity for Syngenta in North America along with several other influential policy and decision makers. Day 1 will feature:

Based on feedback, this year will again feature break-out sessions on Day 1. There will be four sessions in the afternoon highlighting different water topics:

**Sustainability across the Supply Chain Panel**
*Susan Metzger, College of Agriculture, K-State Research and Extension, Moderator*

**Flooding Response Time Panel**
*Earl Lewis, Kansas Water Office, Moderator*

**Groundwater Quality**
*Tom Stiles, Kansas Department of Health and Environment – Bureau of Water, Moderator*

**Reservoir Sediment Management**
*John Shelley, Moderator*

---

**JILL WHEELER**

*Syngenta*

Wheeler is the head of Syngenta’s Sustainable Productivity in North America. At Syngenta, Wheeler started out in marketing services where she earned an Effie Award for the launch of Rave® herbicide in the late 1990s. She moved to product marketing before assuming her current role. She has worked for Syngenta for 12 years and leads The Good Growth Plan in the region, supporting its mission to improve the sustainability of agriculture and meet the challenge of feeding the world’s fast-growing population.
