

Governor's Conference on the Future of Water in Kansas

November 9-10 | Virtual Conference

CALL FOR STUDENT POSTERS

Undergraduate and graduate students are invited to submit abstracts on their water-related research to be presented as posters at the annual Governor's Conference on the Future of Water in Kansas Conference. Any research that involves water quantity, quality or water education is eligible.

Posters will be presented on the Kansas Water Office website throughout the month of November 2020. The virtual poster session will include 3-5 minute, pre-recorded, lightening presentations prepared by the student.

Students are encouraged to attend the virtual conference November 9-10, 2020. There is no registration cost.

Student poster awards

- Student project posters will be evaluated for the Governor's Outstanding Graduate or Undergraduate awards (a good award to add to resumes).
- Four cash awards will be given - top graduate (\$250), top undergraduate (\$250), and two runners-up (\$125).
- Announcement of the awards will be made during November 10th of the virtual conference.

Student Poster Deadlines

- Monday, October 26, 2020, 4 p.m. – abstracts (no more than 250 words) and PDF posters must be submitted using submission form below. In addition, a 3-5 minute video recording of a lightening presentation of your research and poster shall be submitted to the coordinator with the poster (preferred video format is .MP4).
