

Healthy Watershed Plan

Healthy Watershed Plan

- *Mo-Kan is hosting a series of public meetings to obtain feedback about people's concerns who live and work in the Independence-Sugar Watershed.*
 - March 27th 9-11 am St. Joseph / 6-8 pm Parkville*
 - April 24th 9-11 am Parkville / 6-8 pm St. Joseph*
 - May 22nd 9-11 am St. Joseph / 6-8 pm Parkville*
- *Input from a variety of people, businesses, organizations, agencies, communities and counties across the watershed is essential.*
- *The meeting content is based on feedback and information acquired from the previous meeting.*

Healthy Watershed Plan

- *Participants from the first three meetings will form a committee to work on a healthy watershed plan (depending on the consensus of attendees)*

Meeting dates TBA

- *The plan will address the concerns and outline strategies and voluntary management practices that were identified during the first three meetings.*

Healthy Watershed Plan

- *The meeting content is participant driven, **not** agency driven.*
- *The focus at the meetings is not on point-source activities.*
- *The watershed includes areas in Kansas and Missouri so we are encouraging participation from both states.*
- *The watershed plan is your plan. You live here. You play here. You work here.*
