PURPOSE OF ADVISORY COMMITTEES

The purpose of the committees is to advise the Kansas Water Office and the Kansas Water Authority. Their responsibilities include, though are not limited to, the following:

1. Advise the Kansas Water Office and the Kansas Water Authority in identification of water-related problems, issues and concerns within their region.
2. Advise the Kansas Water Office and the Kansas Water Authority in the formulation of revisions to the section of the *Kansas Water Plan* corresponding to their region.
3. Advise the Kansas Water Office and the Kansas Water Authority regarding *Kansas Water Plan* implementation priorities and actions.
4. Serve as a link to the public in the region through interaction with various groups and individuals and communicate information on concerns and issues to citizens in the region.
5. Serve as a link to water management entities in the region to facilitate discussion and input on issue development and implementation.
6. Advise the Kansas Water Office and the Kansas Water Authority on issues under consideration for inclusion in the *Kansas Water Plan*.
